

PARENT CONSENT FORM FOR USE OF VIDEO and/or PICTURES

The purpose of this form is to make sure that we have your consent to use your child's video (or a portion of) and/or their picture for use on our website and occasionally on print material (recital programs, poster for a run-out concert, etc.). Video and audio will only be used sparingly to give each child a chance to be noticed. The material will not be used on any other site other than on our own, nor will it be used for any other purpose other than to feature your child and to display a working relationship between your child and the instructor.

This is an interactive PDF. Just click inside the box of the option you would like to select and resave it. Then click the link below, attach the file to the new email window and send. Submit to: info@advancedartsmusicstudios.com.

Alternatively, you can print out this form, check the appropriate box and bring it to your next lesson.
